**To whom it may concern,**

Britannia Fire Ltd, the manufacturer of the P50 extinguisher, certifies a 10 year warranty from date of Invoice for extinguishers purchased.

This warranty will be made void if the extinguishers are refilled/recharged using non-approved products and/or processes, if the use of equipment is used in environments outside of it requirements.

We can confirm that the foam inside the P50F extinguisher is also suitable for a 10 year period.

Yours sincerely
